Maklumat sahaja tidak memegang kebenaran dalam dirinya sendiri, sehingga sebahagian daripada keseluruhan yang terlepas pandang, diabaikan atau dihapuskan, jika-selepas malah jelas boleh difahami, diterima atau ditolak.

Amerika Syarikat, dan Kesatuan Soviet, dibahagikan dengan perspektif tetapi bersatu dalam pertempuran, cari pada akhir satu perang permulaan yang berikutnya; perarakan perkataan bercetak ke arah kuasa mutlak, dengan syarat hanya oleh jarak ia boleh meliputi.

## Prakata – Melayu

**D**engan mutlak tidak benar seperti kita bersiar-siar di fikiran, di dalam badan, di dalam roh, kita bebas untuk ragu-ragu antara realiti dan impian mencari untuk hidup sesuai dengan kepercayaan kita. Sehingga realiti, atau apa sahaja yang longgar membina kita mendapati diri kita diselubungi oleh, menarik kita kembali ke telanjang meracau di sini dan kini, ke arah beban dan komitmen melalui memenuhi dan perjuangan ujian impian kami untuk kebenaran.

Mungkin benar tidak apa yang kami telah bermimpi ia adalah perkataan dan perasaan yang wajib mereka sering awan definisi konsep yang lebih biasa. Sesiapa pun di antara kamu bercakap ironi perkataan tanpa menjadi ironis? Dalam dunia, di mana penggunaan kami yang paling biasa giliran itu akan definisi hanya, kita berjuang, dalam jenaka dengan itu begitu secara kebetulan

Summary

An epic adventure into madness, this series of alternate history short stories, explores the chains that bind the human spirit to the repetition of survival.

~~~

Information alone holds no truth within itself, until part of its whole is overlooked, ignored or removed, whereafter even the obvious can be understood, accepted or denied.

The United States, and the Soviet Union, divided by perspective but united in battle, find at the end of one war the beginning of the next; the printed word's march toward ultimate power, provided only by the distance it could cover.

## Preface – English

**W**ith no such absolute as truth we wander; in mind, in body, in spirit, we are free to waver between consciousness and dreams in search of a survival worthy of our worthiness. Until reality, or whatever loose construct of such we find ourselves engulfed by, pulls us back into the stark-raving here and now, toward burden and commitment through fulfillment and struggle it tests our dreams for truth.

Perhaps truth was not what we had dreamt it was; words and their compulsory feelings often cloud our definitions of the more common concepts. Who even among you speak the word irony without being ironic? In a world, where our most common use of such turns out to be its only definition, do we struggle, in a joke thereby so coincidentally humorous, to survive, among that which laughs with our truths as it laughs

at our dreams, while never neither does to  
either with this Fragment Earth.
